MATT GRAVELY

Service Electrician

Electrical Services.

Home Inspections.

About Me

I am a family man who takes great pride in providing for my family using the skills I learned from my many mentors throughout my life. With my first mentor being my own father, who had me on the job site at the ripe age of eight fetching tools, material, pushing a broom, and learning to use forethought...

*If you see a problem,
then fix it!*

Why choose me?

Electrical Services

I provide high quality work to commercial & residential properties

Home Inspections

I can carry out qualified and certified home inspections

Always Best Value

The best price is not the cheapest, its the most value for money!

The Best in Area

I work to such a high standard, I feel great saying I am the best!

Over 15 years experience

With over 15 years experience, you can relax, you're in good hands
